

Questions for the virtual tour for Middle Prep

Hi Middle Prep,

Although not at school, there is still lots of fun to be had. We have all been completing lessons, but one thing that is missing is a school trip, so here we go! I have thought of doing a quiz through the virtual tour at the Natural History Museum. I am sure lots of you have been there before in real life (some of you will have done this with the school) but now that we are in lockdown we can look at it using the virtual tour. There are 10 questions below, see if you can find the answers...

- Matilda (Year 8 Middle Prep Captain)

Instructions

Go to the website - [CLICK HERE](#)

You might need to zoom in to the museum display signs and plaques to answer some of these questions. Stay on the first slide in the main hall (you can visit lots of other rooms but stay in the main hall for this quiz.)

1. Directions Lookup...

Question: What skeleton do you see above you in the main hall?

(Clue: it lives in the sea and it's written on a sign on a pillar near the front door.)

2. Directions Look for the giraffes near the front of the hall.

Question: Are the giraffes both skeletons?

3. In one of the alcoves there is something in a fish tank.

Question: What are the two fastest fish in the sea?

(Clue zoom in on the white plaque)

4. Directions: find the museum shop

Question: True or false, the skeleton of the animal near the shop has tusks... T or F?

5. Directions: stand with the shop behind you and look to your right

Question: What is the name of the hall?

Clue (it is on the wall near question 4)

6. **Question: What colour is the statue at the top of the stairs?**

7. Directions: Go to the alcove with the dinosaur with the long tail.

Question How many toes (in total) does it have?

8. **Question: What colour is the giant coral?**
(Clue: it's opposite with the central white desks in the middle of the hall.)
9. **Question: What is in the last bay on the right by the stairs?**
(Clue: its come from space)
10. **Question: what is inside the answer to question number 9?**
(Clue zoom in and read the plaque.)

The End... you have completed
the Middle Prep virtual tour
challenge!
