Time for Reflection

Christians believe that even though we can't see ahead to the future - we can't just get in a time machine and jump ahead to see what's going on! - God is with us in every situation. Christians believe that God is bigger than time, so he holds us even in uncertain times. Another quotation from Ralph Abernathy was, "Christians should be ready for a change because Jesus was the greatest changer in history."

Now it is time for you to take a moment to sit quietly and think about the year ahead. As you stand on the brink of the future, what things do you hope for, what things would you like to achieve this year? What are your hopes and dreams for your friends and family?

Think for a moment about some of the things that may be worrying you. These may be the things that you don't know or feel a bit unsure about.

However, there is a verse in the Bible that should reassure you and give you hope, 'Do not worry about tomorrow, for tomorrow will worry about itself.'

The future may be uncertain, and there may be things that happen that we don't expect in the year ahead, but there will also be things to enjoy and celebrate together.

Prayer.

Dear God,

Thank you that you are with us in every circumstance or situation.

You know how different and unexpected the last few months have been.

As we look ahead to 2021, help us remember that you are with us and you hold
the future in your hands

Amen.
