What does telling the Truth mean?

It can mean

- ‘telling the truth’, as the opposite of lying.
- ‘authenticity’ – telling something with real emotional honesty.
- ‘proven’ – the difference between an opinion and a fact.

Once you eliminate the
impossible, whatever remains, no
matter how improbable, must be
the truth.

Arthur Conan Doyle

“

If you tell the truth, you don't
have to remember anything.

In the long run,
the most unpleasant truth
is a safer companion
than a pleasant falsehood.

Truth Poems

The Lying Lion

By Artie Knapp

He lied, oh how he lied,
Claiming to be King;
But in actuality, this lion cried,
At the thought of a little sting.

I witnessed it myself that day,
And couldn't believe my eyes;
As this big bad cat began to sway,
Desperate to conceal his lies.

He ran away as fast as he could,
Hoping to get lost;
Feeling embarrassed and misunderstood,
Came at quite a cost.

It had been easy for him to scare us,
With his mighty roar and size;
But to see him tremble and throw a fuss,
Felt like winning a first place prize.

I knew someone would eventually call his bluff,
And that they would reveal the truth;
I just never would have thought, all that fluff,
Would be caused by a bee named Ruth.

Truth Prayer

Oh God, enlighten my mind with Truth
Inflame my heart with Love
Inspire my will with Courage
Enrich my life with Service
Pardon what I have been
Sanctify what I am
Order what I shall be
And thine shall be the glory
And mine the eternal salvation
Through Jesus Christ my Lord
Amen
