## **Terms and Conditions - September 2023**

1. To book a place on any of the bus routes, please complete the application form and return it to the Operations Supervisor at Barrow Hills School. Application forms may be obtained from the Operations Supervisor or the School website.
2. Places on the buses will be issued on a first come first served basis; all applications will be dated and numbered on receipt.
3. Payment for the service is termly in arrears.
4. Towards the end of each term parents will be required to sign up for the service for the following term.
5. The service will only be available for pre-booked places. Any additional days or friends, who might be travelling in with your child on any particular day, may only be accommodated if there is space and it has been agreed with the Operations Supervisor beforehand.
6. It is expected that the only adult on the coach will be the driver. Our drivers are employees of the School and hold relevant DBS checks.
7. Barrow Hills School cannot be held responsible for the lateness or delay of the services due to traffic, road works or weather conditions. It is the parent's responsibility to wait with their child until the child has boarded the bus.
8. In the mornings, children should aim to arrive at their stop 5 minutes prior to the timetabled arrival time. The driver will not be able to wait for late-comers and the responsibility of transporting your child to School will be with the parent.
9. If a minibus arrives early at a stop it is required to wait until the timetabled time before it continues.
10. Please remember that it is your responsibility to ensure the safety of your child between home and the pick-up point specified. Children should wait at timetabled stops only.
11. School buses are contracted to have seat belts. It is a condition of use of the bus that children use the seatbelt throughout the journey. Failure to adhere to this requirement will lead to withdrawal from the bus service.
12. Parents are reminded that good conduct and behaviour is expected of their child whilst using the transport provided. Parents are responsible for ensuring that their child is aware of the appropriate behaviour and safety requirements whilst travelling to School. In the interests of safety, children must behave sensibly, wear their seatbelt and must always remain seated unless instructed by the driver. Behaviour that is not appropriate may lead to transport for your child being withdrawn. The driver will be responsible for discipline on the bus, but will report any problems to the School for action.
13. Food and drink must not be consumed on the bus.
14. Please let the School know if your child will be carrying bulky luggage (e.g. a cello) as we may need to make special arrangements.
15. The School cannot be held responsible for the loss of a child's property, although every effort will be made to recover it.
16. Please remember that it is your responsibility to ensure that we are kept informed of any changes to your contact details or requirements.
17. Please be aware that throughout the year we may need to review and make alterations to transport which could result in a change of vehicle, timings, pick-up point etc. We will always give as much notice as possible.
