Executive summary

This is an exceptional opportunity for a new Design Technology to join a flourishing boarding and day school, set on an attractive 100-acre campus and in a beautiful part of rural Surrey. The School is thriving; there is a sense of excitement, purpose and development everywhere in a School that is on a clear upward trajectory. There may be the opportunity to bring the role to or close to full-time by adding some hours of work in support of the department's provision but this is not essential.

The successful candidate will

- inspire and motivate pupils to achieve and develop their full potential
- to work with the Head of Department to deliver effective, engaging and interesting subject teaching
- support the School's expectation of excellent educational provision, safeguarding and promote the welfare of children

We encourage part-time teachers to contribute to the co-curriculum according to their skills and aptitudes. At King Edward's a very wide range of sports, arts, community and other activities is offered, in the afternoons and on Saturday mornings. Although there are no lessons on Saturday mornings, the weekend programme is a busy one and part-time teaching staff are encouraged to participate in one way or another.

King Edward's – yesterday, today, tomorrow

As one of the longest-standing co-educational schools in the country and one of only two remaining Royal Hospitals from Tudor times, King Edward's Witley has a rich history of providing an education which is holistic, inclusive and progressive.

YESTERDAY

Nicholas Ridley, Bishop of London, convinced the boy King Edward VI to grant his palace at Bridewell on the banks of the Thames to the Lord Mayor of London, so creating the parent foundation – Bridewell Royal Hospital – as a place for the training and education of poor children in 1553. In 1860, the new charity scheme for Bridewell Royal Hospital was created and the House of Occupations was renamed King Edward's School admitting boys and girls from aged 10.

The pupils from King Edward's Boys' School moved to its current site in Witley in 1867 and the School now occupies around 100 acres of stunning Surrey countryside. The School became co-educational again in 1952 and 2017 marked the 150th anniversary of the Witley school on its current site.

TODAY AND TOMORROW

We are steadfastly proud of our heritage and longstanding engagement with the City of London through Bridewell. King Edward's Witley, Barrow Hills School and Longacre School are the operational arms of Bridewell Royal Hospital, a charitable Foundation from which both schools inherit

a culture with diversity, generosity, opportunity and social responsibility at its heart, combining a global outlook with a sense of local belonging. More concretely, a significant endowment from Bridewell allows us to provide boarding places to pupils with a clear boarding need – our Foundationers.

King Edward's holds true to its Founders' mission to offer a foundation for life to young people from a range of backgrounds. At King Edward's this means an exciting and challenging curriculum, a broad range of sporting, artistic, social and cultural opportunities and an environment which is specifically created to inculcate the values of independent learning, responsibility for others and the enjoyment of challenge.

Pupil experience is at the heart of what we do. The School has over 475 pupils, many of whom are day pupils from primary and Prep Schools. Boarding is a core pillar of the King Edward's community, with over 140 boarders accommodated in Houses including an Upper Sixth pre-university House.

All pupils, day and boarder belong to a House and are cared for by their Housemaster/ Housemistress and their team.

King Edward's – yesterday, today, tomorrow *continued*

Around 30% of pupils live abroad, in over 30 different countries and there is a growing cohort of local day pupils. The Sixth Form generally numbers more than 100 pupils, most of whom go on to study at Russell Group, Oxford and Cambridge (in small numbers), and leading European or US-based universities.

Tradition continues to be highly valued and close links with the City of London remain through the Court of Bridewell (Board of Governors). The Lord Mayor attends Admissions Day and the School's annual Foundation Day Service at St. Bride's Church. Pupils participate in a range of events and activities associated with the City of London, perpetuating the School's links with its historic roots.

The School has a long tradition of philanthropy and addressing disadvantage and vulnerability. King Edward's offers welfare

bursaries through Bridewell Royal Hospital, livery companies and other charities, for young people who are less advantaged and who have a particular need for a boarding education. Over 50 pupils are supported by Bridewell Royal Hospital and other charities with financial contributions equal to annual boarding fees to attend the School. King Edward's is proud of its ongoing work transforming the lives of disadvantaged young people through providing a safe, fulfilling and purposeful educational environment.

The Head is a member of HMC.

Further details of the School are to be found in the Independent Schools' Yearbook, or on our website www.kesw.org.

Academic life and life beyond the classroom

ACADEMIC LIFE

King Edward's offers a broad, balanced curriculum, where excellent teaching is provided in a supportive and stimulating environment, enabling pupils to equip themselves with the skills and characteristics needed to succeed in today's ever-changing and dynamically global society.

The School follows the National Curriculum but learning goes well beyond this, enabling pupils to think critically, study broadly but also in depth, and pursue interests in the creative and active sides of life, devoting attention to the wider community. Therefore, the School has two exam pathways at Sixth Form: A-Levels and BTECs to allow pupils to pursue different routes through the post-16 curriculum.

The School is building its academic profile and sees this as its highest priority. Whichever pathway they take, all pupils are encouraged to be independent thinkers, develop a love of learning and be open-minded and principled.

LIFE BEYOND THE CLASSROOM

The 100-acre site at King Edward's and excellent facilities ensure that the School can provide co-curricular and enrichment opportunities that are extensive and wide-ranging.

There is significant ongoing investment into the School's facilities, notably the Academic Hub and Reception area containing a Learning Resource Centre, and a fully refurbished day and boarding House for the Upper Sixth girls and boys.

Pastoral care and boarding

“Pupils of all ages demonstrate outstanding levels of respect for diversity and other cultures. ... [they] contribute enthusiastically to boarding and the community. ... [and] have a highly developed sense of moral understanding.” ISI 2022

King Edward's has a uniquely diverse pupil body – culturally, socially and economically – and this forms a key part of its identity and ethos. Pupils benefit hugely from the outstanding care and support that the School provides which is inclusive and outward-looking.

Unique paired Houses share common rooms, kitchens, television and music rooms allowing girls and boys to mix naturally. This is particularly valued by parents and characterises the School's belief in engendering equality in the community.

Housemasters/ Housemistresses lead each House, ensuring pupils are treated as individuals and encouraged to pursue their passions.

The School also offers weekly boarding and flexi boarding which is particularly popular with parents from London who wish their children to benefit from the countryside and a boarding environment but retain some flexibility.

Leadership, management and governance

The School's Governing Body is known as The Court of Bridewell, reflecting the historic foundation of the School as Bridewell Royal Hospital in 1553. The Chairman of Governors is known as the Treasurer. The Court comprises up to 30 members, all of whom are unpaid volunteers, and includes Aldermen and members of the Common Council of the City of London, and several Governors co-opted for their expertise in education, finance and other relevant areas.

The Statagic Management Team is responsible for overseeing the school's statagic direction and comprises:

- Mrs J Wright, Head (Chair of SMT)
- Mr D Corran, Deputy Head
- Mr M Harrison, Deputy Head Co-Curriculum
- Mr A Kirk-Burgess, Deputy Head Academic
- Dr A N Lennard, Director of Studies and ICT
- Mr D Rogers, Chief Finance and Operations Officer
- Mr Z Siva, Director of Safeguarding & DSL

The Senior Leadership Team, also chaired by the Head, oversees important operational matters and includes all members of SMT, plus:

- Mr J Andrade, Head of Lower School
- Mr T Campbell, Head of Middle School
- Mr J Downs, Head of Digital Innovation
- Mr N Emsley, Senior Housemaster
- Mr S Fitch, Head of Marketing, Admissions & Communications
- Mrs K Keane, Head of Inclusive Learning and SENDCO

The Design Technology (DT) Department

Design Technology is a high-profile department situated in the heart of the academic campus in a newly refurbished, spacious building with three large workshops, one of which is dedicated to metal work. As well as the workshops there are two graphics rooms and an IT room.

There is the usual range of hand and power tools, with extensive CAD provision (laser cutter, CNC router, vinyl cutter and a suite of 3D printers). Younger pupils have one lesson per week throughout the year, and we aim to cover 3 projects each year. At GCSE we follow the AQA Design and Technology course and at A level the AQA Product Design course. We host several after-school clubs and pupils often drop in after school to work on their projects. We have been fortunate to have support for lessons and activities from either a dedicated technician or a DT teacher with spare capacity.

The successful candidate will need the willingness and ability to teach across KS3, GCSE and A level courses and to host after-School activities, at least one of which would be DT-related, according to their interests and aptitudes.

Role description

KEY TASKS AND RESPONSIBILITIES

KNOWLEDGE AND UNDERSTANDING

- have a secure command of, expertise, and demonstrably outstanding communicative abilities in the subject/s
- understand the progression of pupils' acquisition of knowledge, skills and understanding
- understand how pupils' learning is affected by their intellectual, emotional, physical and social development

- develop effective, positive and professional relationships that will nurture pupils' self-belief, confidence and powers of expression
- create and maintain a teaching environment that is conducive to learning through classroom management:
 - o maintain good order
 - o nurture the development of curiosity, confidence, imagination and rigour, using the School's policies and procedures on behaviour and sanctions as appropriate,and attractive surroundings which promote a sense of purpose, partly by featuring displays of work, and subject-related materials
- promote ICT use, literacy and numeracy

Role description *continued*

CO-CURRICULAR

- contribute to the wider academic, co-curricular and pastoral life of our busy 7-day-a-week day and boarding School, according to skills and aptitudes
- tutoring - to take responsibility for the academic progress and overall welfare of a group of approximately 16 students
- contribute to the wider academic life of the school via enrichment activities, subject clinics and revision groups.
- although there are no lessons on Saturday mornings, the weekend programme is a busy one and part-time teaching staff are expected to participate

GENERAL

- take responsibility for safeguarding and promoting the welfare of children
- as a member of one of the Houses, support its activities by attendance at events and by undertaking a regular duty night
- attend meetings, school and departmental events as required, including chapel services and parent conferences and other important functions
- maintain appropriate confidentiality of information relating to the School and its staff, and comply with GDPR
- adhere to the School's Health, Safety and environmental policies at all times
- carry out any other reasonable duties as required

Person specification

ATTRIBUTES

- personal charisma: warmth, integrity, self-awareness, empathy and kindness
- enthusiasm for, and commitment to, high quality, inspiring teaching and to the subject
- mental agility demonstrated through innovation and flexibility with good attention to detail
- stamina and grit
- sound judgement
- good sense of humour and appreciation of others
- willingness to challenge, evaluate, monitor, refine and revise with a view to continuing improvement
- the capacity to inspire loyalty
- building strong relationships
- knowledge of the legislation regarding schools related to the role of the post holder

KPIs

Among others:

- excellent academic outcomes (assessed against relevant benchmarking data)
- pupils leave with a love of learning

SKILLS AND KNOWLEDGE

- the ability to offer a second subject
- a degree in DT or related subject, or recognised equivalent
- a teaching qualification, such as a PGCE or recognised equivalent
- the ability to teach up to up to GCSE and A-level
- ability to listen well and think clearly in difficult situations
- be a fine role model
- foster habits of excellence and a culture of independent thinking
- strong interpersonal skills, communicative abilities, numeracy, and emotional intelligence
- high levels of personal organisation and professional efficiency
- excellent time management: ability to prioritise yet keep in mind a granular level of detail
- good academic standing and evidence of continuing professional learning

Terms of appointment and how to apply

The role of Teacher of Design Technology will attract a competitive salary in line with experience and benefits including substantially reduced school fees at King Edward's Witley, Barrow Hills and Longacre Schools.

Candidates should submit a fully completed Application Form and a covering letter which addresses the competencies outlined as key responsibilities and in the person specification. Candidates may submit a CV in addition.

King Edward's Witley, Barrow Hills and Longacre Schools are committed to safeguarding and promoting the welfare of children and young people and the Court expects all staff and volunteers to share this commitment. The successful candidate must be willing to undergo child protection screening appropriate to the post.

Please refer to our websites or ask HR for our child protection and rehabilitation of offenders' policy. We particularly welcome applications from under-represented groups.

Bridewell Royal Hospital

King Edward's Witley and Barrow Hills School are partner schools of the Bridewell Royal Hospital Foundation.
